

42,000 yrs ago revised
to 2,000 yrs ago

Lake Mungo, southeastern Australia
Belult man sprinkled with Coprois
amounts of red ochre.

Problem: The 1st modern human did
not reach Europe until 40,000 yrs ago
Out of Africa event was supposed to have
occurred 50,000 yrs ago. 50,000 yrs ago
there was still 50 mi of open ocean between
the nearest point of Southeast Asia and

4 Sahul (Indonesian New Guinea + Australia Combined)
